

## TRAVEL

As the Summer season approaches, many people are thinking about travelling abroad. Not all medication needed for travelling abroad is free on the NHS. We have introduced a new system to recommend appropriate vaccinations and their costs. This means you will need to complete a form before you book your nurse travel appointment.

For further information please visit our website on [baffinssurgery.org.uk](http://baffinssurgery.org.uk) or ask at Reception.

## NEW BOOKING SYSTEM

We are pleased that the new booking system has been well received. Following a review involving our patients feedback which took place after our trial period of 3 months, we have now made the following new amendments.

**ADVANCE:** A percentage of appointments will be made available up to four weeks in advance for patients to book.

**48 HOURS:** We offer a high percentage of GP appointments for patients wanting to book within two working days.

**SAME DAY:** We provide an urgent same day clinic, both morning and afternoon, for patients needing to see a clinician the same day.

**Please feel free to put forward any feedback about the booking system.**

In May we said goodbye to Dr. Dan O'Neill following completion of his training.

## USEFUL TELEPHONE NUMBERS

-  (023) 92 827132 Main Number
-  (023) 92 657400 Urgent Problem Line
-  (023) 92 657401 Home Visit line (8.00 to 10.00)
-  (023) 92 657402 Results Line (13.00 to 14.45)
-  (023) 92 657403 Medication Queries (10.30 to 12.30)
-  (023) 92 657404 Appointment Cancellation (answer phone)
-  (023) 92 657408 Medical Reports & Private Medicals (10.30 to 12.30)
